### **Appointment of Grégoire DE ROTALIER as Deputy Managing Director and Director**

Grégoire DE ROTALIER, Head of Pharmagest Group's Health and Social Care Facilities Solutions Division, is appointed Deputy Managing Director (*Directeur Général Délégué*) of Pharmagest Group. He will notably be responsible for spearheading the ongoing development of his Division (6 companies, 200 employees) and continuing to contribute to the Group's cross corporate projects.

In addition, the Combined General Meeting of Pharmagest Group voted to expand the Board of Directors' membership and approved the appointment of Grégoire DE ROTALIER as Director. Mr. DE ROTALIER's appointment increases the number of directors serving on the Board of Directors of Pharmagest Group to 12 members (with the percentage of women serving on the Board remaining in compliance with the provisions of Article L. 225-18-1 French commercial code at 41.6%).

Born in 1970, Mr. DE ROTALIER is a graduate from the IEA Paris (*Institut Européen des Affaires*) business school. After an initial experience in management information systems, Mr. DE ROTALIER began his career with Pharmagest Group in 1994 as Regional Manager and then Sales Manager. In 2007, he took over the management of MALTA INFORMATIQUE. In 2015, he was appointed as head of the Health and Social Care Facilities Solutions Division, focusing on the development and the expansion of its market offering with notably the integration of DICSIT INFORMATIQUE in 2016 (hospital-at-home, in-home nursing services, local information and coordination centres for seniors), AXIGATE in 2017 (hospital sector) and ICT Group in 2019 (multi-professional teams and private practitioners).

Beginning in January 2020, Mr. DE ROTALIER initiated the Division's international expansion with the acquisition of the activities of the Belgian software development activities, CARE SOLUTIONS, and the creation of MALTA BELGIUM. More recently, he spearheaded the acquisition by his Division of an equity stake in PANDALAB (a solution for secure, confidential and instant communications between healthcare professionals across the office-based private practice and hospital segments).
